- Adobe Premiere® Pro CC
- Acrobat® XI Pro
- Lightroom®
- Adobe Muse™ CC
- Adobe Audition® CC
- Prelude™ CC
- SpeedGrade™ CC
- Bridge CC
- Fireworks®
- Flash® Builder® Premium
- Flash Professional CC
- Edge Animate CC

Adobe® Creative Cloud™ for teams

Vsi ste v eni sami ekipi. Začnite tako tudi ustvarjati.

Dobrodošli v Creative Cloud for teams. Obdržite celo ekipo na istem projektu s popolno zbirko Creative Cloud namiznih aplikacij, storitev in poslovnih orodij. Izmenjujte datoteke, zberite povratne informacije in sledite spremembam—vse na enem mestu. Creative Cloud for teams nudi 2 opciji najema—kompletno zbirko ali posamezne programe. Zbirka vsebuje vse Creative Cloud namizne programe in storitve, posamezni najem pa nudi dostop do ene od Creative Cloud aplikacij (kot je Adobe Photoshop CC ali Illustrator CC) in izbranih storitev. Z obema opcijama lahko maksimirate vaš proračun in vplivate na centraliziranje administrativnih orodij, kar omogoči vašemu IT oddelku lažjo odločitev za nakup, namestitve in upravljanje Creative Clouda; skupaj s posodobitvami, ki jih zahteva vaša ekipa.

Vsa orodja, ki ji ljubite. Popolno preoblikovana. Popolnoma nove verzije vaših najljubših orodij in storitev. Takojšen dostop do novih značilnosti in posodobitev. In to je šele začetek. Kajti zdaj so vaše najljubše aplikacije, vključno z Adobe Photoshopom CC, popolnoma preoblikovane za podporo tekočemu kreativnemu procesu. V Creative Cloud for teams je vključeno vse, kar potrebujete za intuitivno kreiranje in medsebojno sodelovanje na kreativnih projektih.

Upravljanje z licencami. Creative Cloud for teams omogoča hitro, enostavno in dostopno upravljanje, dodajanje in prerazporejanje, licenc. Sledite novim potrebam in ohranite skladnost licenc. Uporabite upravljalna orodja za centralizirano namestitve in poenostavite upravljanje z licencami kreativnih orodij v vaši organizaciji.

Hramba v oblaku. S Creative Cloud for teams zbirko dobite 100GB prostora, s posameznim programom 20 GB. Zasebne mape v oblaku omogočajo izmenjavo datotek le po vaši želji. Shranite vaše nove projekte, ohranite prejšnje verzije datotek in objavite komentarje.

Povežite vaša dela in vašo kreativno skupnost. Storitve Behance® lahko zdaj integrirate v Creative Cloud, lahko poiščete navdih, prikažete vaša dela, zberete povratne informacije in pridobite globalno predstavitev vašega portfelja.

Založništvo na enem mestu. S Creative Cloudom je oblikovanje le začetek, saj članstvo vključuje vse, kar potrebujete za objavljanje vaših del v novih, naprednih in očarljivih načinih. Enostavno naredite in objavite spletne strani, prenosne strani, iPad aplikacije in ostale vsebine za poljubne medije in naprave.

Strokovno usposabljanje in podpora. Izostrite vaše znanje in obvladajte nova orodja z naraščajočo knjižnico ekskluzivnih video seminarjev Adobejevih strokovnjakov in vodilnih partnerskih podjetij. Creative Cloud for teams vključuje tudi strokovno tehnično pomoč—vsak član vaše ekipe dobi 2 neposredni seji z Adobejevim strokovnjakom na leto.

Nižji stroški. Za privlačno nizko ceno dobite celotno zbirko Creative Cloud ali posamezno izbrani program, poleg pa dobite še: vse posodobitve in nadgradnje programov so vključene v ceno za celotno obdobje najema.

Brezskrbna skladnost licenc. Vaša ekipa ima takojšen dostop do kreativnih orodij in lahko polno izkoristi produktivnost v službi in doma, saj licenca omogoča namestitve na 2 računalnika, vendar hkratna uporaba na obeh ni dovoljena. Istočasno zmanjšajte tveganje za skladnost licenc in ohranite IT nadzor.

*popoln spisek programov in storitev je na strani 2.

V Creative Cloud for teams je vedno nekaj novega
